APPLICATION AND SELECTION PROCEDURE

MEDITERRANEAN COPRODUCTION FORUM aims at **supporting the film projects linked to the Mediterranean and the Balkanic regions**, giving the opportunities to “*test them*” in the development stage and come into contact with potential co-financers.

We are looking for feature-length fiction or documentary film projects that contain a link to the Mediterranean or Balkan region.

They should be either produced or co-produced by a country within these regions or contain elements in the story that link them to these regions.

Projects should have a producer attached and could be in all stages of production.

There should be a complete screenplay.

Our main focus in the selection procedure will be on projects that present a high possibility of being realized, combining this quality with artistic elements.

All submissions must be received by March 19th, 2010.

By then we need to receive the complete application package:

1. Complete application form
2. Full script in English
3. Biography/filmography of the producer
4. Biography/filmography of the director
5. Director's statement
6. Budget topsheet, finance plan and a list of confirmed financing for the project

Please send submissions to:

Lecce European Film Festival
